

the Friendly Meetinghouse

3201 Boston Harbor Road NE, Olympia, WA 98506 | (361) 239-2708 | rentals@friendlymeetinghouse.com

EVENT SETUP

Plan ahead for waste removal. We are rural enough to have animals eager to root through garbage, so we must be extra careful.

The City of Olympia Waste ReSources lends recycling containers, signs, and supplies to assist with recycling, composting, and collecting waste at community events. These items are loaned out free of charge and are particularly useful if you expect a large outdoor party. See <https://olympiawa.gov/city-utilities/garbage-and-recycling-zero-waste>

If you will have glass bottles left over, you might want paper bags or crates to take them away, as the city no longer recycles glass. The closest glass disposal is 1000 10th Ave SE, Olympia, about a 7-minute drive.

If you expect more than 35 cars, instruct guests to park tightly together. Do not drive on lawn, as that could damage the septic system. It is legal to park facing South on Boston Harbor Road to the North of our building.

For a morning or all-day event, you can reserve the evening before your event for \$50 – if the Meetinghouse isn't already booked – so you can come in and set up.
